THE LODGE

River House Lodge is a **cozy, elegant lodge with 5-star service**, located in perfect striking distance to some of the best fly fishing rivers in Patagonia.

The lodge is ideally situated **on the banks of the Chimehuin River between the cities of San Martin de los Andes and Junin de los Andes**, only a 15 minute drive to the airport. For many years, it was managed as part of Tipiliuke Lodge. Starting in 2021, it is now available as its own destination. And with good reason! It is one of the finest lodging and dining experiences in Argentina, and its location is hard to beat anywhere.

It's **surrounded by incredible trout fisheries**. The most popular is the world-famous **Chimehuin River**, which allows for incredible fly fishing throughout the season, both by floating and wading. In addition, guests of River House Lodge enjoy exploring other **nearby rivers - including the Malleo River, Collon Cura River - and lakes such as Lolog Lake, Lacar Lake, Huechulafquen Lake, and Tromen Lake**. With all of these destinations so near the lodge, it is no wonder this is a favorite spot for anglers wishing to see a broad range of Patagonia landscapes and places.

Guests enjoy a **first-class experience**, accommodated in one of five luxurious suites at the lodge. Their **chef works magic each evening** with classic Argentine meals accompanied by fine local wines.

After a long and productive day on the water, River House Lodge is the perfect place to sit back with a cool drink while gazing out at the vastness of the Patagonian steppe and listening to the sound of the Chimehuin River just a cast away.
